Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders<sup>1</sup> and any individual financial regulations relating to contracts.
- 1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.
- 1.3. The council's accounting control systems must include measures:
  - for the timely production of accounts;
  - that provide for the safe and efficient safeguarding of public money;

- 1.6. Any breach of these Regulations by an employee may be considered to be gross misconduct.
- 1.7. Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of Councillor into disrepute.

- 1.9. The RFO;
  - acts under the policy direction of the council;
  - administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;

  - ensures the accounting control systems are observed;
  - maintains the accounting records of the council up to date in accordance with proper practices;
  - assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
  - produces financial management information as required by the council.
- 1.10. The accounting records determined by the RFO shall be sufficient to show and explain the council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations<sup>2</sup>.
- 1.11. The accounting records determined by the RFO shall in particular contain:
  - entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
  - a record of the assets and liabilities of the council; and
