

CIVIC REPORT

Councillor Roger Carter – 30th April 2019 – 13th May 2019

DATE	FUNCTION	COMMENTS
6 th May	Georgian Fayre	A wonderful atmosphere! It was a tremendous pleasure to talk to many stallholders and volunteers and to witness some fine performances. Whole-hearted thanks to the organising committee for once again a hugely successful event
7 th May	Portland Mayor Making	It was a pleasure to represent Blandford at this event and to support Councillor Charlie Flack the outgoing Mayor, who has wonderfully represented Portland at almost all Mayoral events across Dorset this year.
10 th May	Literary Festival Presentation	I was glad to be able to give some recognition to a planned Literary Festival in Blandford in November. Various ideas were mooted including naming the festival, logo, and possible ingredients from the core ideas already up for discussion. This will be a welcome annual addition to Blandford's calendar.
11 th May	Blandford Forum Snooker Club Centenary Open Day	It was a joy, once again to give civic recognition to this 101-year-old club. However, heavily losing a game of snooker to Cllr. Pat Osborne somewhat tempered my enjoyment!
