

Blandford Veterans Hub Coffee Morning's

The veteran's hub has been set up by the Blandford Branch of the RBL in consultation with other like minded groups that support veterans and their families, such as the Armed Forces Veterans Breakfast Club, the Veterans Forge, and SSAFA.

Its purpose is to provide where ever possible help and support for service veterans and their families and also comradeship by facilitating access to the above mentioned groups and other bodies. This facility is free and open to all service veterans and their families and is strictly confidential, all visitors will be welcomed with refreshments and a smile.

The hub will be accessible on the third Saturday of every month between 10:00 am and 2:00pm at the Poppy Stables, Legion House, Church Lane, Blandford Forum.

It is hoped that as the Hub becomes established activities, talks and presentations will be included in the day for those who would like to take part.
