Review of Delegation Arrangements to Committees, Sub-Committees, Employees and other Local Authorities

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to review any delegation arrangements it might have for its Committees, Sub-Committees, Employees or with other Local Authorities.

Delegation Arrangements to Committees

The Town Council operates with a Committee structure. This structure has been in place for many years and has worked well.

Each Committee operates within an agreed remit (terms of reference) and the remits of each Committee feature in another report later in the agenda.

With the above in mind there is no need to review the present arrangements.

Delegation Arrangements to Sub-Committees

The Town Council at present does not have any formal sub-committees.

The Town Council operates with Working Groups that are established either by the Town Council or a Committee and meet as frequently as is required while a particular issue is considered. A Working Group reports back to either its parent Committee or Town Council/Planning on a regular basis or once the task has been completed. When the task of the Working Group has been completed the Working Group disbands.

With the above in mind there is no need to review the present arrangements.

Delegation Arrangements to Employees

The Town Council delegates a range of tasks and responsibilities to various employees of the Council and these are clearly detailed in the Standing Orders and Financial Regulations.

With the above in mind there is no need to review the present arrangements.

Delegation Arrangements to Other Local Authorities

The Town Council does not at present delegate to, or have delegated to it, any responsibility for the provision of a service. There is therefore no need to review the present arrangements.

Recommendation

The delegation arrangements the Town Council presently has in place in relation to Committees, Sub Committees, Employees and with other Local Authorities as detailed above does not appear to require change for the 2022/23 Mayoral year, hence the Town Council is requested to approve the report.

Review of Terms of Reference for Committees

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the opportunity to review the Terms of Reference for Committees.

General Terms of Reference Applicable to All Committees

The Town Council introduced the general terms of reference for all committees ([viewable here](#)) in January 1999. This was later amended in March 2002 and last updated in 2019 to reflect the change to the Dorset Council. The document continues to work well and there is no apparent reason to amend the document.

Corn Exchange Meetings

This was introduced in 2020 and the remit is [viewable here](#). The document continues to work well and there is no apparent reason to amend the document.

Town Council Planning Committee

The remit and delegated powers of the Town Council Planning Committee ([viewable here](#)) were last reviewed in May 2021.

The remit, under item 6.1.2 and 6.2.1, should be amended to reflect that the B+ Neighbourhood Plan has now been made. Under 6.3.1 and 6.3.2 the name of the group should be changed to Blandford+ Monitoring Group.

The document continues to work well and there is no apparent reason to amend the document apart from the above.

Finance & Staffing Committee

The remit and delegated powers of the Finance & Staffing Committee ([viewable here](#)) were last reviewed and updated in May 2021. The document continues to work well and there is no apparent reason to amend the document.

Town & General Purposes Committee

The remit and delegated powers of the Town & General Purposes Committee ([viewable here](#)) were last reviewed in May 2021 and were later amended to include the Markets. The Old Bath House can be removed from the remit due to the sale in 2021. The document continues to work well and, subject to the above, there is no apparent reason to amend the document.

Recreation & Amenities Committee

The remit and delegated powers of the Recreation & Amenities Committee ([viewable here](#)) were last reviewed in May 2021. The document continues to work well and there is no apparent reason to amend the document.

Recommendation

That the Town Council agrees that:

- No changes are required to the General Terms of Reference Applicable to All Committees

- No changes are required to the remit and delegated powers of the Corn Exchange
- A minor change is required to the remit and delegated powers of the Town Council Planning Committee
- No changes are required to the remit and delegated powers of the Finance & Staffing Committee
- A minor change is required to the remit and delegated powers of the Town & General Purposes Committee
- No changes are required to the remit and delegated powers of the Recreation & Amenities Committee

Appointment of any new committees, confirmation of the terms of reference, the number of members (including, if appropriate, substitute councillors) and receipt of nominations to them

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to consider establishing any new committees, terms of reference member numbers and Councillor nominations.

New Committees

This matter has been given consideration by Officers and there is no apparent reason why any new committees need to be established for the 2022/23 Mayoral year.

Working Groups

In May 2019, Councillors confirmed membership of the following working groups for the five-year term:

- Neighbourhood Plan working group (memorandum of understanding)
- Public Art (project completed)
- Corn Exchange (no longer relevant)
- Climate Change working group

Recommendation

That the Town Council continues with its existing Committee structure for the 2022/23 Mayoral year.

Review and Adoption of appropriate Standing Orders and Financial Regulations

Introduction

In 2018, The National Association of Local Councils (NALC) published revised Model Standing Orders. The Town Council adopted the Standing Orders and numerous amendments have since been made.

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to review and adopt appropriate Standing Orders and Financial Regulations.

Standing Orders ([viewable here](#))

The Town Council last updated the Standing Orders in September 2021.

Working through this agenda, and comparing it to the standing orders, the following items have been included in the agenda that are not listed in the standing orders. Councillors may wish to update standing orders accordingly.

Financial Regulations ([viewable here](#))

In 2019 NALC published Model Financial Regulations, which were adopted by full Council and most recently updated in September 2021.

Recommendation

That the Town Council considers the contents of the report and makes any changes prior to adopting the updated Standing Orders and Financial Regulations for the 2022/3 Mayoral year.

Review the Council's expenditure incurred under s.137 of the Local Government Act 1972 or the General Power of Competence and confirm that the Town Council still meets the criteria of The Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012

Introduction

This agenda item is two items combined because they are so closely linked.

Expenditure

The Town Council used to apply s137 for its expenditure authority prior to the General Power of Competence and Councillors will be aware that s137 has not been applied for some time. During the last financial year, the Town Council has only used the General Power of Competence.

Eligibility

Section 28 of the Town Council's Standing Orders confirms the eligibility requirements, which this council has been approving on an annual basis to avoid it being missed from the agenda on an election year (!), which are as follows:

- The General Power of Competence (GPC) is a power of first resort, giving a local authority "the power to do anything that individuals generally may do" where permitted by the Localism Act 2011 s1-8.
- Before exercising the General Power of Competence, a meeting of the full Council shall have passed a resolution to confirm it has satisfied the prescribed statutory criteria required to qualify as an eligible parish council.
- To be eligible, the number of councillors elected at the last election (or subsequent by-election) must equal or exceed two thirds of the total numbers of seats on the council and the council must have a qualified clerk. It must confirm it remains eligible at every annual meeting of the council after ordinary elections and can use the GPC as long as it does not break other laws.

Recommendation

That the Town Council notes its expenditure incurred under the General Power of Competence and confirms that it continues to meet the criteria of The Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012.

Review of Inventory of Land and Assets Including Buildings and Office Equipment and the Formation of the Town Council's Deeds and Trusts Working Group

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to review its inventory of land and assets and to form a Working Group to inspect the Town Council's Deeds and Trusts.

Inventory of Land

The Town Council has responsibility for various parcels of land and buildings in Blandford Forum and these are all included in the land inventory at [Appendix A – Land Inventory](#).

In 2009 the Town Council registered land that it already owned with the Land Registry, which is also detailed at Appendix A.

If any Member would like to see the Land Registry titles, please contact the Town Clerk.

Inventory of Assets (including buildings and office equipment)

The Town Council's Responsible Financial Officer maintains an Asset Register and all the items listed have a description, date acquired, model and serial numbers, purchase price, value price, insurance details and comments box (where appropriate).

The Asset Register includes, but is not limited to, the following:

- a. Office and IT equipment
- b. Civic and Mayoral items
- c. Furniture
- d. Fire Extinguishers
- e. Christmas Decorations
- f. Street Furniture
- g. Plant Fixtures and Fittings (hot water and condensing boilers)
- h. Grounds Maintenance equipment
- i. Motor Vehicles
- j. CCTV Equipment

Due to the size of these documents, copies have not been made available for Members. If any Member would like to see the Asset Register, please contact the Town Clerk.

The Asset Register was last approved at the 21st March 2022 Finance & Staffing Committee meeting and full council on 28th March 2022.

Inspection of the Town Council's Deeds and Trusts

The Town Council agreed on 18th May 2018 that deeds and trusts should be reviewed on an annual basis. Cllrs Clark and Stevens carried out the 2021/2022 inspection. This is considered valuable background for newer members as it provides an interesting background to the land and properties that the Town Council owns or manages.

Recommendation

To approve the list of land registered to the Town Council and note Appendix A.

To approve that the Town Council's Asset Registers are updated regularly and were last reviewed at full council on 28th March 2022.

To agree on Members to form the Working Group to carry out the next annual review of the Town Council's deeds and trusts.

Review of the Council's and/or Employees' Membership of Other Bodies

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to review its/or its employees' membership of other bodies.

The Council's Membership of Other Bodies

- a) The Town Council annually takes out Membership of the Dorset Association of Parish and Town Councils (DAPTC). BFTC automatically obtains the support services and guidance offered to Town Council from the National Association of Councils (NALC) once it has joined its County Association. The Membership of DAPTC is through the Annual Subscription scheme and the total cost for the subscription in 2022/2023 is £1,335.66 (awaiting updated costs for this financial year).
- b) The Town Council is a Member of the Institute of Cemetery and Crematorium Management (ICCM). Membership is essential for cemetery management training, which includes memorial safety, and they also offer legal advice by telephone. The membership cost is currently £95.00 a year.
- c) The Town Council joined the National Association of British Market Authorities (NABMA) in 2015. NABMA offers support and advice on both indoor and outdoor markets. The membership cost is £384.00 for 2022/2023.
- d) The Town Council has approved expenditure of £2,940 + VAT per annum to enter into a further five-year agreement with Ellis Witham (Expenditure Authority: Localism Act 2011 s1-8) from May 2021. Ellis Witham provides support and consultancy on H&S and HR issues, and the service has proven to be extremely valuable in the past.
- e) The Town Council takes out Membership of the Society of Local Council Clerks (SLCC) on an annual basis. This provides the Town Clerk with training events, seminars and a Dorset and national network for Clerks to share and exchange ideas and experiences. The subscription cost for 2022/2023 is £446.00. The SLCC provides valuable information on various subject matters and is a very useful resource, which other staff members also benefit from with online training courses.

Recommendation

That the Town Council notes the report.

Review of BFTC's Complaints Procedure

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to review its complaints procedure.

Code of Practice for Handling Complaints

BFTC had for some years a code of practice for handling complaints, which was replaced by NALC's recommendation as a result of Minute No. 83 of the Town Council meeting held on 8th September 2014. The Complaints procedure ([viewable on our website here](#)) has been updated to be in line with NALC's Legal Topic Note 9E on Handling Complaints.

An Employee Complaint

The procedure confirms that such a complaint will be dealt with as an employment matter.

It would appear that the present procedures work and there is no need to change or amend the process used.

A Councillor Complaint

The procedure confirms that complaints about a Councillor are subject to the jurisdiction of the Dorset Council, unless it is a breach of the rules about Disclosable Pecuniary Interests which will be a criminal offence to be reported to the police.

It would appear that the present procedures work and there is no need to change or amend the process used.

A General Complaint

If a general complaint is received, it should if possible be resolved by the Town Clerk, other proper officer or Chairman of Council. If this is not possible then a formal process will ensue and this will involve the formation of a Councillor panel, as detailed in Section 3 of the Complaints Procedure.

Recommendation

That the Town Council's Complaints Procedure is approved for the 2022/2023 Mayoral year.

Review of the Council's policies, procedures and practices in respect of its obligations under Freedom of Information, Data Protection legislation and Website Accessibility Statement

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to review the procedure for handling requests under the General Data Protection Regulations 2018 and the Data Protection Act 2018.

In 2021, the review of the council's website accessibility statement was added to this annual item due to its importance.

Detail

All Councils should produce a paper that details the information it holds and where the information can be located under the Model Publication Scheme.

The Town Council adopted a Privacy Policy at the Town Council meeting held on 23rd April 2018 and the Model Publication Scheme has now been merged into this Policy.

This is available to view on our website:

The council's website accessibility statement is also available to view on the council's website:

Recommendation

That the Town Council's Privacy Policy, including Freedom of Information Policy, and its Website Accessibility Statement are approved for the 2022/2023 Mayoral year.

Review of the Council's Policy for Communicating with the Press & Media

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to review the policy for dealing with the Press or Media.

Background

A Town Council Working Group to review the Press & Media Policy was formed following receipt of NALC's model policy. The Town Council adopted a policy and retained section 21 of the Town Council's Standing Orders at the Town Council Meeting held on Monday 8th December 2014. These have been reviewed annually since.

The Press & Media Policy (distributed to councillors by email) and section 21 of the Standing Orders have worked well to date and there is no apparent reason to amend the document.

Recommendation

That the Town Council agrees that the Press & Media Policy and section 21 of the Standing Orders continue to be appropriate for the 2022/2023 Mayoral year.

Review of the Risk Assessment Management Policy (including Financial) Arrangements for 2022/23

Introduction

By having this agenda item featuring as part of the Annual Meeting of the Town Council it provides the Town Council with the opportunity to review its risk assessment management policy.

Detail of the Report

Changes to the Accounts and Audit Regulations 2011 required the Council to conduct an annual review of internal control, which includes the arrangements for management of risk. While a review of the risks affecting the outside sites, together with administration and staff has been carried out, in light of the added regulation it was felt that a financial risk assessment was needed.

The Town Council reviews this document annually, and it was most recently updated for the Finance & Staffing Committee meeting held on 21st March 2022 and subsequently approved by full Council on 28th March 2022.

The policy was distributed to Councillors by email with the F&S agenda in March but Councillors may request a copy from the Town Clerk.

Recommendation

That the Town Council's Risk Assessment Management Policy (including Financial) is approved for the 2022/2023 Mayoral year.
