

# BLANDFORD FORUM TOWN COUNCIL

## Climate Change & Biodiversity Actions taken to date...

### Carbon reduction

- Carbon footprint benchmarks carried out on the Town Council estate by Cllr Pat Osborne.
- Switched to green electricity (100% renewable energy) in October 2020.
- Eco hot water boilers installed in venues.
- Goods and services are purchased locally, where possible, to reduce mileage and packaging.
- Ensuring money is invested wisely, in low-risk sustainable banks or investment funds.
- Battery powered machinery purchased for the grounds staff to use.
- Working to introduce two Electric Vehicle Charge Points in Park Road recreation ground car park.

### Plastic reduction

- Reusable items for events, instead of single use.
- Refillable soap dispensers in venues.
- Promoting the use of re-usable bags, purchased locally to give out for free to market customers.
- Switched from handwaving flags with plastic sticks to an eco-version with paper sticks for events.
- Signed up to the free water refill scheme, to reduce use of bottles.
- Partnership working with Wessex Water for the introduction of a bottle refill point in the Market Place.

## Waste reduction

- Wastepaper is reused or recycled, along with recyclable plastic items, cardboard and tins.
- All woodchip produced is either reused or sent for recycling if possible.
- Offering of reusable items to the community.
- Two-minute litter pick board available to the public on market days.
- Supporting Litter Free Dorset campaigns, such as Bin Your Butt and distributing free stubby packs.

## Biodiversity and trees

- Provision of insect hotels, bird feeders, swift/swallow nests and bird nests in Woodhouse Gardens with environmentally friendly slug repellent in use.
- Wildflower areas introduced at Jubilee Way and Badger Cross in planters.
- Trees that are felled due to being dead, diseased or dying, are replaced.
- Signed up to the ten principles of the Charter for Trees, Woods and People and tree planted as part of the Queen's Green Canopy.
- £100 of wildflower seeds purchased for residents to encourage growing of wildflower areas.
- Promoting the importance of trees through the annual tree photography competition.
- Public art installation designed to provide shelter from sun and rain. Parasols introduced at Woodhouse Gardens due to lack of shade.

**We are now working towards a Motion for the Ocean. Please get in touch if you would like to join the working group.**
