## GRANTS CRITERIA

Blandford Forum Town Council has an annual grants budget available to charitable and voluntary organisations, throughout the financial year, under statutory provisions and subject to the limits imposed by legislation. In determining its priorities, the Town Council has therefore agreed that the following criteria must be met before a grant can be awarded.

1. Grant applications must benefit Blandford Forum residents and demonstrate a clear financial need.
2. The Town Council does not normally support an organisation with a grant in consecutive years.
3. Applications for grants will **only** be considered if they are submitted on the appropriate form and accompanied by the most recent set of accounts<sup>1</sup> together with a business plan, project details and any supporting documents.
4. At the end of the financial year the Town Council may monitor any organisation receiving a grant in order to be assured that the grant has been spent in the way that it was intended i.e. by inspecting audited accounts, invoices, receipts etc.
5. Successful grant applicants are encouraged to attend the Annual Town Assembly meeting to feedback to Councillors how their grant has been spent.
6. A grant application is considered by all Councillors at a Town Council meeting, which is held in open session. The payment of grants will be made as soon as practicable after the Town Council meeting.
7. Grants will not be accepted retrospectively, except in exceptional circumstances.
8. As part of its Climate Change and Biodiversity Action Plan, the Town Council has launched Green Grants for community groups wishing to start up an environmental initiative. Available are two match funded grants at £500 each per year.
