Clerk's Report & Correspondence

8.1 To receive an update on the Blandford + NP Modification Review

The final version of the Blandford+ Neighbourhood Plan Examiners Report (1 August 2023) has been published on the Blandford + and Dorset Council websites. [Blandford + Neighbourhood Plan 2011 - 2033 - Dorset Council](#)

Examiners Executive Summary

'I made an initial determination on 21 June 2023 that the modifications contained in the draft Blandford+ Neighbourhood Plan Review (the Plan/B+NPR) are not so significant or substantial as to change the nature of the neighbourhood plan which the draft Plan would replace. From my examination of the B+NPR and its supporting documentation, including the representations made, I have concluded that subject to the Examiner Modifications (EMs) set out in this report, the Plan meets the Basic Conditions. I have also concluded that: - the Plan has been prepared and submitted for examination by a qualifying body: Blandford Forum Town Council; Blandford St Mary Parish Council; and Bryanston Parish Council; - the Plan has been prepared for an area properly designated – the Designated Area as identified on Figure A of the document, on page 7; - the Plan specifies the period to which it is to take effect – 2011 to 2033; and - the policies relate to the development and use of land for a designated neighbourhood area. Therefore, I recommend that Dorset Council should make the Plan with the EMs specified in the Report (there will be no statutory requirement for a referendum).'

The Examiner has requested 3 minor modifications which will be made by the Committee Clerk and Dorset Council. Once these modifications have been made Ed Gerry from Dorset Council will take the modified plan to Cabinet on the 3rd October for approval.

8.2 Letter of concern to Simon Hoare

Following receipt of an email from Newcastle Under Lyme (links to correspondence below) we wrote to Simon Hoare expressing our concern that 'Made' neighbourhood plans are being overlooked.

- [Appeal decision](#)
- [Letter to Simon Hoare](#)

Response from Simon Hoare:-

Dear Julie

Thank you for bringing to my attention. I have read the Inspector's decision notice. There is nothing the SoS can now do. Aggrieved parties could seek a Judicial Review but only if there has been an error in process.

Reading, in isolation, an Appeal decision does not, of course, paint the full local picture. In broad terms I feel the Inspector reached the correct decision given the adjacency of relatively recent residential development.

If the MP for the area is aggrieved, I am sure he will raise with the SoS. It is not for me to do so.

While decisions can be prayed in aid as precedent an a priori precedent cannot and is not set as each proposal is judged on its individual merits. It certainly has no bearing on the Rothermere proposal.

**Best wishes
Simon**

**Networking Opportunity for
Blandford Businesses - it's time to put North
Dorset back on the map!**

Blandford Forum Town Council is proud to be part of the North Dorset Tourism Group, working in partnership with SturBiz, Shaftesbury Town Council, Gillingham Town Council and The White Hart Link to help bring tourism to North Dorset.

We've been working together to share information of tourist attractions around the North Dorset area, which are being added to the Visit Dorset website. The new 'North Dorset' section of the website will direct tourists to all the fantastic attractions in the area and we want to help businesses get on board.

Visit Dorset will have a stand at the Town Council's Community Expo on Saturday 16th September 2023 from 10am to 1pm.

This is a great opportunity for you to meet other like-minded businesses and find out how Visit Dorset can help promote your business.

We look forward to seeing you there!

9. To consider responding to the Dorset Council Housing Strategy Consultation

The Dorset Council has launched the [Housing Strategy Consultation](#) and the information in this report was emailed to Councillors in July.

Residents who take part will have the opportunity to influence the council's approach to housing over the next five years. The consultation is primarily a questionnaire, with some space for free text, it's anticipated it will take just minutes to complete. The aim is for as many people as possible to contribute with their views about what is important to them. Key issues such as housing need, supply, and standards are some of the issues highlighted. The over-arching aim of the consultation however is simple, to hear what residents have to say.

Lead member for Housing Councillor Graham Carr-Jones said;

"The housing strategy is for and about the residents of Dorset. Dorset Council does not want to produce a strategy without collaborating with the people it is about and the people it is for. Our residents' feedback is as important as ever and when we've consulted in the past we have been encouraged by the response. The consultation is for everyone, individuals, families, organisations, people of all ages and backgrounds."

[Visit the website to take part in the consultation.](#)

There are also short videos about residents' experiences. The consultation is open for 10 weeks.

If residents are unable to complete the consultation on -line or wish to request a paper copy, please call [01305 221000](tel:01305221000) for further information.

The strategy will run from 24th July 2023 for ten weeks and closes on Monday 2nd October 2023.

An evidence-based document will also be available for anyone who chooses to read it, it is not compulsory. It can be accessed on the consultation site or at libraries. Paper copies will need to be returned by 6th October 2023.

Recommendation

To consider responding to the Dorset Council Housing Strategy Consultation, by the deadline of Monday 2nd October 2023.
