**ACTION: TOWN CLERK**

The Chairman decided to take agenda item 5.4 and 5.5 together.

34.4 2/2020/1216/FUL and 2/2020/1217/LBC – 22<sup>nd</sup> September 2020 – Mr A Shepherd – 1 Market Place – Change of use from office space to 1 no. self-contained flat at ground floor level

It was PROPOSED by Cllr Carter, SECONDED by Cllr Mieville and AGREED (12 in favour, 1 against, 2 abstentions) that

**The Town Council objects to the application as it conflicts with B+ NP Policy B8 - Blandford Forum Town Centre, in particular with the following: -**

- **Paragraph 3... ‘The loss of established ground floor retail floorspace or an active frontage as a result of a change of use in the primary shopping area will be resisted.’**
- **Paragraph 5 ... ‘All proposals in the town centre should retain or create...an active street frontage and should seek to enhance the public realm ....to enhance the vitality of the Town Centre and increase pedestrian footfall.’**
- **Paragraph 5.47 states: ‘This policy complements Local Plan Policy 12 by defining the Town Centre and primary shopping frontage of Blandford Forum’. The Local Plan allows for a NP to review its frontages and ...make such changes.’**

**The policy effectively anticipates the changes of classes of use in: ‘The Town and Country Planning (Use Classes) (Amendment) (England) Regulations 2020 (September I 2020 No.757) with 1 Market Place, Blandford Forum now being subsumed in Class E (Commercial business and Service). The proposal to convert part of the ground floor of the property into residential is not only against the spirit of the Act and B+ NP (to increase vitality of the town centre) but compromises the commercial viability of the property, by considerably reducing the available space for the multiplicity of uses in Class E.**

**Therefore, the applicant’s citing of the NPPF (February 2019) paragraph 192 ... ‘ a) the desirability of sustaining and enhancing the significance of heritage assets and putting them to viable uses consistent with their conservation; b) the positive contribution that conservation of heritage assets can make to sustainable communities including their economic vitality;..’ not only does not apply in this case, but is indeed contrary to it in that the proposal will not increase the ‘economic vitality’ of the town centre’ nor make a ‘positive contribution’.**

34.4 2/2020/1216/FUL and 2/2020/1217/LBC – 22<sup>nd</sup> September 2020 – Mr A Shepherd – 1 Market Place – Change of use from office space to 1 no. self-contained flat at ground floor level (cont.)

**Whilst BFTC is mindful of the on-going detrimental effect on town centre commerce brought about by the Coronavirus pandemic, we feel that post pandemic economic recovery, and with the changes of use permitted to town centre properties allied to property developments already underway, will increase the attractiveness to businesses within Class E, (including 1 Market Place, Blandford) and ultimately lead to increased sustainability and vitality of Blandford Forum Town Centre.**

**ACTION: TOWN CLERK**
