Financial regulations must be observed in conjunction with the council's standing orders and any individual financial regulations relating to contracts.
- 1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

- 1.6. Any deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings and could be considered to be gross misconduct.
- 1.7. Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of Councillor into disrepute.
- 1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council.
- 1.9. The RFO;

- 1.13. **The council must not delegate any decision regarding:**
- **setting the final budget or the precept (Council Tax requirement);**
 - **the outcome of a review of the effectiveness of its internal controls;**
 - **approving accounting statements;**
 - **approving an annual governance statement;**
 - **borrowing;**
 - writing off bad debts;

This will be carried out where possible by consultation with members by electronic means or telephone. The clerk will further consult with the chairman and vice chairman of council and the chairman and vice chairman of the finance & staffing committee for guidance as necessary. The delegation does not extend to matters expressly reserved to the council in legislation or in its Standing Orders or these Financial Regulations. Any decisions made under this delegation must be recorded in writing and must be published in accordance with the relevant regulations. This delegated authority ceases when normal business or council meetings are resumed.

1.16 The Operations Manager will deputise for the Town Clerk in their absence (and will therefore have the same authority), with the Committee Clerk supporting the office in the Town Clerk's absence.

1.17 In these financial regulations, references to the Accounts and Audit Regulations or 'the regulations' shall mean sections 32, 43 (2) and 46 of the Local Audit and Accountability Act 2014, or any superseding legislation, and then in force unless otherwise specified.

2. ACCOUNTING AND AUDIT (INTERNAL AND EXTERNAL)

2.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

2.2. **The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonable accuracy at any time. In particular, they must contain:**

- **day-to-day entries of all sums of money received and expended by the council and the matters to which they relate;**

- 2.6. The following principles shall be observed in connection with accounting duties:
- (a) The duty of providing information, calculating, checking and recording sums due to, or from, the Council, should be separated as completely as possible from the duty of collecting or dispersing them.
 - (b) Officers charged with the duty of examining and checking the accounts of cash transactions should not be engaged in any of those transactions.
- 2.7. **The council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices.**
- 2.8. **Any officer or member of the council shall make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit** and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.
- 2.9. The internal auditor shall be appointed by, and shall carry out the work in relation to internal controls required by, the council in accordance with proper practices specified in the Practitioners Guide.

- 2.13. The RFO shall make arrangements for the exercise of electors’ rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by the Local Audit and Accountability Act 2014 or any superseding legislation, and the Accounts and Audit Regulations.
- 2.14. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

3. ANNUAL ESTIMATES (BUDGET) AND FORWARD PLANNING

- 3.1. **Before setting a precept, the council must calculate its council tax requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**
- 3.2. Each committee shall review its forecast of revenue and capital receipts and payments in line with the Town Council’s Plan. Having regard to the forecast, it shall thereafter formulate and submit proposals for the following financial year to the council not later than the end of December each year including any proposals for revising the forecast.
- 3.3. The RFO must each year, by no later than November, prepare detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the following financial year in the form of a budget to be considered by the relevant committees and the council. As per the JPAG, the Town Council must review the level and purpose of all earmarked reserves.
- 3.4. The council shall consider annual budget proposals of revenue and capital receipts and payments including recommendations for the use of reserves and sources of funding and update the forecast accordingly.
- 3.4. The council shall fix the precept (council tax requirement), and relevant basic amount of council tax to be levied for the ensuing financial year. The RFO shall **issue the precept to the billing authority no later than the end of February** (note the Dorset Council’s requirement for receipt by the end of January) and supply each member with a copy of the agreed annual budget.
- 3.5. RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved annual budget.
- 3.6. **Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance**

Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.

- 3.7. The approved annual budget shall form the basis of financial control for the ensuing year.
- 3.8. The generally accepted recommendation for the appropriate minimum level for a General Reserve in the JPAG is that this should be maintained at between three and twelve months of Net Revenue Expenditure (NRE). In practice, any authority with an NRE of more than £200,000 should plan on 3 months equivalent General Reserve. It is important to plan the budget ensuring that the adopted level is maintained. Changes in activity level / range of services provided will inevitably lead to changes in the requisite minimum level of the General Reserve in order to provide a working capital for those activities.
- 3.9. The RFO reviews the council's General Reserves on a regular basis and reports to Council in December and March the expenditure that has occurred through the year and makes recommendations to transfer from the interest received on investments on the earmarked reserves to the General Reserve.
- 3.10. If the General Reserve falls below the 3 months NRE, it is to consider including the deficit in the budget to bring it back up to the 3 months of NRE.

4. BUDGETARY CONTROL AND AUTHORITY TO SPEND

- 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:
 - Town Clerk – £2500
 - Operations Manager – £1500
 - Committee Clerk – £500
 - RFO – £500
 - Business Support Officer – £500
 - Market Manager – £500
 - Grounds & Property Supervisor - £500
 - In an emergency the Chairman of Council (or in the absence of the Town Clerk and Chairman of Council, the Vice Chairman of Council) – £2,500

Such authority is to be evidenced by a Minute or by an authorisation slip duly signed by the Clerk, and where necessary also by the appropriate Chairman. They must not be grouped together, except under emergency situations when retrospective expenditure must be obtained at the next relevant meeting. **Contracts must not be split into smaller lots to avoid compliance with these rules.**

See also section 10.

- 4.2. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council, or duly delegated committee. During the budget year and with the approval of council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').

- 4.3. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.
- 4.4. The salary budgets are to be reviewed at least annually in September/October for the following financial year and such review shall be referred to the Finance & Staffing Committee. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.
- 4.5. In cases of extreme risk to the delivery of council services, the clerk may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £2500. The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.
- 4.6. No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the council is satisfied that the necessary funds are available and the requisite borrowing approval has been obtained.
- 4.7. All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.
- 4.8. The Clerk may incur expenditure on behalf of the Council which is necessary to carry out any repair, replacement or other work which is necessary whether or not there is any budgetary provision for the expenditure, subject to a limit of £2500. If there is no budgetary provision the Clerk shall report the action to the appropriate Committee as soon as practicable thereafter. Emergency work over this amount but below £2500 should be referred by the Town Clerk or in his/her absence by the Operations Manager or RFO to the relevant Committee Chairman and the Chairman of Council to obtain approval before work proceeds.
- 4.9. Where expenditure is incurred in accordance with regulation 4.8 above and the sum required cannot be met from savings made elsewhere within that Committee's approved budget, it shall be subject to the provisions of a supplementary estimate approved by the Finance & Staffing Committee or the Council.
- 4.10. The RFO shall regularly provide the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and shall show explanations of material variances. For this purpose "material" shall be in excess of 10% of the budget.
- 4.11. Changes in earmarked reserves shall be approved by council as part of the budgetary control process.
- 4.12. The RFO is authorised to make payment up to the agreed net annual budget limit to the Barnes Recreation Ground Trust without reference to Committee.

5. BANKING ARRANGEMENTS AND AUTHORISATION OF PAYMENTS

- 5.1. The council's banking arrangements, including the bank mandate, shall be made by the RFO and approved by the council; banking arrangements may not be delegated to a committee. They shall be regularly reviewed for safety and efficiency.
- 5.2. Councillors who are the Council's bank signatories are to provide all necessary identity details to the bank in order to comply with the bank's anti-fraud regulations.
- 5.3. A schedule of payment of money shall be prepared by the RFO and together with the relevant supporting invoices and list of payments made via Faster payments must be checked by the two members to ensure that the Town Clerk's initials or, in his/her absence, those of the Chairman/Vice Chairman of Council are noted on the invoices as "Payment Authorised". If the "Payment Authorised" has the signature of the Chairman/Vice Chairman of Council then he/she cannot sign the relevant cheque/payment. The Chairman and Vice-Chairman of the Finance & Staffing Committee should not sign cheques/make payments as they will be responsible for checking the full list of payments which shall include cheques, BACS payments, online banking faster payments, direct debits, standing orders and PCO Pay, which will be submitted to the quarterly Finance & Staffing Committee for retrospective approval and minuted accordingly. Regarding Faster Payments on business online banking, two members of the same family must not be allowed to be an "authorising user". For BACS/faster payments, the schedule of payment, supporting invoices and list of payments entered on commercial online banking or business online banking, will be emailed to two members stating the reference numbers of the payment schedule and the total amount of each payment schedule to check and to submit the online payments. The Chairman of Finance & Staffing is copied into the faster payments authorising email. The authorising members will email the RFO stating that they have checked and authorised the payment reference number and the total of each payment schedule and submitted the online payment. The email will then be attached to the schedule of payment. On the payment schedule under the 1st and 2nd signatory, the RFO will write the name of the member who has authorised and write "see attached email" and the date the email was received. A bank reconciliation is completed promptly after month end and reviewed by the Town Clerk and Chairman of Finance & Staffing which ensures the prompt identification of any potential fraud or error.
- 5.4. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.
- 5.5. In addition to 5.3, where two councillors are spouses, partners or related to each other only one of those councillors shall be permitted to authorise each transaction on behalf of the Council.

- 5.7. Members approving the transfer of funds between bank accounts must ensure that the Town Clerk's initials or, in his/her absence, those of the Chairman of Council, are shown

on the transfer documentation prior to signature. Again if the Chairman of Council authorises the documents then they cannot sign the documents.

- 5.8. All invoices for payment shall be examined, verified and certified by the RFO to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the council.
- 5.9. The RFO shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The RFO and Business Support Officer (BSO) shall take all steps to pay all invoices submitted, and which are in order, at the next available council meeting or Finance & Staffing Committee Meeting. The RFO will ensure that all invoices are coded to the appropriate expenditure head. The RFO shall take all possible steps to settle all invoices submitted, and which are in order, within 30 days of their receipt. When the RFO is satisfied that invoices are in order he/she shall pass them to the Clerk for final certification in the box provided. All duly certified invoices will then be entered on the schedule referred to in 5.3 above.
- 5.10. In respect of grants the Town Council shall approve expenditure within any limits set by council and in accordance with any Policy statement approved by council. Any Revenue or Capital Grant in excess of £5,000 shall before payment, be subject to ratification by resolution of the council.
