## To approve expenditure for asbestos removal at the Football Pavilion

### Report

During the Asbestos survey which we had carried out in March this year it was identified that the Football Pavilion had asbestos in the soffits at the rear and side of the pavilion. The soffits at the back have been damaged and need replacing immediately, the ones on the side are at present undamaged. I have had quotes from the specialist company that removes the asbestos for just the rear and separately for the sides:

For the rear - **£4339.50 + VAT** (this includes the price of a small access scaffold).

For the two sides - **£4990.00 + VAT**

Rear and sides for a price of **£9329.50 + VAT**

This is a specialist service so as per the Town Council's Financial Regulations only one quote is presented for the removal of the asbestos. It makes sense to get the sides removed when the contractors are on site as if the sides get damaged in the future, which is likely, then they would need replacing straight away. Once the asbestos is removed then non asbestos soffits will need to be installed to make the building wind and watertight, so three quotes are presented for this work.

### Financial Implications

**To remove all asbestos from the rear and sides of the Football Pavilion £ 9329.50+VAT**

**Three quotes to replace the guttering and soffits:**

#### **Company A:**

Take down existing gutter.  
Fit new 9mm white UPVC soffit board.  
Fit new 9mm white UPVC capping board.  
Refit existing gutter.

**£ 6765.00 No VAT**

#### **Company B:**

Replace fascia and soffit to rear and sides, materials to be white UPVC with black half round guttering to match existing.  
White flat board to soffit, white square edge fascia.  
Felt support trays to be installed.

**£2805.00 no VAT**

#### **Company C:**

Replace UPVC gutter, fascia and soffits.  
To include the supply of scaffolding and taking down of old gutter fascia and soffit and replace with new.  
Take all rubbish away and leave area clean and tidy.

**£8,960 + VAT**

### Recommendation

It is recommended that councillors approve expenditure for the removal of the asbestos soffits and then select a company and give expenditure approval to install new soffits (Expenditure Authority: General Power of Competence, Localism Act 2011, S1-8).

## **To consider a lease with the Football Club on the pavilion at Park Road Recreation Ground**

### **Background**

The Football Club have requested that the Town Council considers giving the Club a long repairing lease on the pavilion, similar to that given to the Rugby Club at Larksmead. They have also requested that we supply them with an approximate annual rental figure if they have such a lease.

### **Report**

The Football Club currently pays £1,709.70 and this reflects the work that the Town Council carry out on the building both scheduled and responsive to faults which occur. (a list of scheduled checks is listed below.) However we are spending much more than this sum each year on repairs to the plumbing and electrics.

- Legionella Testing Monthly.
- Fire Appliance Testing Annually
- PAT Testing
- Boiler Service Annually
- Electricity
- Pitch Maintenance
- Building Maintenance
- Insurance of the building
- Emergency lighting tests

Should the Club be given a long lease on the same terms as the Rugby Club then they would take on all responsibility for the above works and therefore the annual rental charge should reflect this cost saving the Town Council would make.

For information the lease for the Rugby Club was at an initial rate of £1500.00 per annum

### **Recommendation**

It is recommended that Councillors decide if they wish to offer a longer lease and to give the Football Club an idea of the rental that would be charged.

## **To consider adopting a policy authorising staff to take deposits for bookings**

### **Background**

At the Town Council meeting held on the 24<sup>th</sup> November 2025 it was resolved:

**The Town Council delegates authority to the Town Clerk and Operations Manager to create a policy and bring it back to Council for consideration.**

Below is the draft policy:

### **Deposit Policy for Bookings**

#### **1. Purpose**

The purpose of this policy is to outline the procedures and requirements for collecting deposits for bookings. Deposits are taken to secure a booking and to provide financial protection against potential damage, excessive cleaning, late cancellations, or any other costs incurred by the Town Council.

#### **2. Scope**

This policy applies to all bookings made for the use of the Town Councils facilities, services, or equipment.

#### **3. Policy Statement**

A deposit may be required for any booking where the potential cost, risk of damage, or operational impact is assessed as significant. The amount of the deposit will vary depending on the nature of the booking and the associated risks.

#### **4. Delegated Authority**

The following staff members are authorised to determine whether a deposit is required and the amount to be charged:

- **Operations Manager**
- **Bookings Receptionist**

These staff members have the discretion to assess each booking individually and set an appropriate deposit based on:

- The scale and type of event or activity
- The number of participants or attendees
- Historical experience with similar bookings
- Potential risk of property damage or additional cleaning
- Use of specialist equipment or areas
- Any other relevant operational considerations

## **5. Deposit Amount**

- The deposit amount may vary and shall be proportional to the assessed risk.
- The standard range for deposits should be set within predetermined internal guidelines (e.g., £50–£500), unless specific circumstances justify a higher amount.
- Any deposit exceeding the standard range must be approved by the Town Clerk.

## **6. Payment Terms**

- Deposits must be paid at the time of booking to confirm the reservation.
- Bookings are not considered secure until the deposit has been received in full.
- Payment may be made via accepted payment methods as outlined by the Town Council.

## **7. Refund and Retention of Deposits**

Deposits will be refunded in full when:

- The booking is completed with no damage, loss, or excessive cleaning required
- All terms and conditions of hire have been adhered to

Deposits may be partially or fully retained if:

- Damage to property or equipment occurs
- Additional cleaning is required
- Policies, rules, or terms of use are breached
- Late cancellation occurs outside the organisation's stated cancellation window

Any retained deposit must be documented with evidence (photos, reports, invoices, etc.).

## **8. Record Keeping**

All deposits received, retained, or refunded must be recorded in the Town Councils booking system. Supporting documentation must accompany any deposit retention decisions.

## **9. Review**

This policy will be reviewed annually or when operational needs change.

## **Recommendation**

It is recommended that Councillors resolve to adopt the policy.

**Neighbourhood Plan Monitoring Group – Blandford +**

A Christmas get-together was held at the Corn Exchange on Thursday 27<sup>th</sup> November 2025 arranged by the group as a way to build stronger links between them and the surrounding Parish councils and to share concerns regarding the forthcoming changes regarding Neighbourhood Plans .

Simon Hoare MP held a Q&A with a range of questions and the event was well attended.

The next meeting of the B+ Monitoring group is scheduled for Monday 26<sup>th</sup> January 2026.

**To consider filling BFTC representative vacancies**

Cllr Maggie Putt has stood down from the following positions and Councillors are asked to consider filling some of the vacancies. Members of the groups listed may not agree with the suggestion of whether a replacement is required or not, so it is just as a guidance.

No need to replace due to number of other BFTC reps:

Blandford Literary Festival  
Blandford Opportunity Group  
North Dorset Tourism Association  
Citizen Advice Central Dorset  
Dorset Association of Parish & Town Councils (DAPTC) Larger Councils and North Dorset
