

About Us

Following the recent refurbishment of our stunning Grade I listed building – the jewel of Blandford Forum – we are delighted to offer it as a beautiful venue for weddings.

After the Great Fire of Blandford in 1731, the Town Hall and Shambles were designed and built by the Bastard brothers in 1734. The Corn Exchange was built in 1858.

Our Spaces

(all accessible)

Corn Exchange

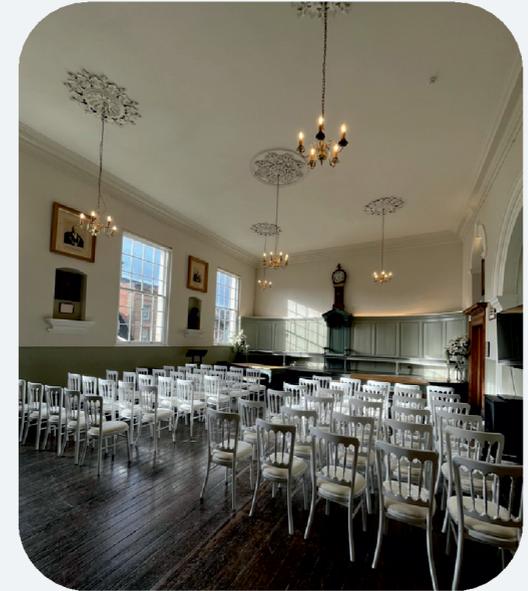

The Corn Exchange is our largest venue and holds a maximum capacity of 200 people. It boasts a stunning decor for your event, with an audio/visual booth, acoustic panelling, and spacious stage.

Council Chamber

The Council Chamber is upstairs and is accessed by the lift or staircase. It has a large oak table and holds a maximum of 20 people. It is the ideal place for the Registrar to discretely meet with the bride or groom prior to the ceremony.

Town Hall

The Town Hall is upstairs overlooking the Market Place, and can be accessed via a lift or a beautiful staircase. It holds a maximum of 60 seated guests.

The building has an incredible history and these rooms have been used for a wide variety of activities over almost 300 years.
