

BLANDFORD FORUM TOWN COUNCIL

To: Fisher's Close Residents

Dear Sir/Madam,

Fisher's Close Parking Suspension – Public Event Thursday 16th July 2026

I am writing to inform you of the road closures, restricted access and parking suspensions that will be in place on the day, to facilitate this public event.

Thursday 16th July 09:00 hrs – Road closure from East Street junction Sheep Market Hill to the Market Place junction with West Street. The roads will be accessible to pedestrians.

East Street will have restricted access from 09:00-15:00 hrs where larger vehicles will need to divert via the bypass and gain access to the town from West Street. This will allow lighter vehicles to use Sheep Market Hill on a one-way reversal.

To stop larger vehicles from attempting to access the town through East Street, Fisher's Close will be utilised as a stop and turning point for these vehicles. As a result, a temporary clearway and parking suspension will be imposed on Fisher's Close between 09:00-15:00 hrs within the blue lines on the map.

We appreciate the inconvenience caused but hope this notice allows you to plan accordingly.

Thursday 16th July 15:00 hrs – All road closures, diversions and parking suspensions should be lifted.

Please contact the office on 01258 454500 if you have any concerns about the information listed in this letter. Your assistance in this matter is greatly appreciated.

Yours faithfully,
