P4.6.1 Summary and Background information

Planning applications listed below have been received and require comments to be submitted to the Local Planning Authority. Prior to the meeting, members are urged to view the planning application using the link below and to visit the site to understand local context.

As part of the town council's response to planning proposals it should provide material planning reasons for its comments, be they of support or objection. Simply stating 'no objection' is insufficient as there is a requirement to give reasons for that decision.

P4.6.2 Material Planning Reasons

Biodiversity	Design
Economic Benefits	Effect on the Appearance of the Area
Flooding Issues	Height
Heritage	Impact on Access
Impact on Light	Landscape
Local or Government Policy	Noise/Disturbance
Other	Overlooking/Loss of Privacy
Parking	Residential Amenity
Road Safety	Traffic or Highways

To assist, here are a few examples as to how you might word something to give material planning reason for your thoughts.

P4.6.3 Examples

House Extension	No Objection as limited impact on amenity of neighbouring property
	Or
	Objection as will have detrimental impact on neighbouring property
New dwelling	Support, design is in keeping with locality
	Or
	Objection as design is not in keeping with local area
Vehicular Access	Support, will have no impact on road safety given proposed visibility splays
	Or
	Objection as visibility is poor in this location and traffic speeds are high.
